## W9 submission

### A.Diary Entry

1. What is the topic that you have finalised? (Answer in 1 or 2 sentences).

*# I have decided on the topic of "health" for my data story, namely, Substance Abuse and its Public Health Consequences.*

2. What are the data sources that you have curated so far? (Answer 1 or 2 sentences).

*# My data sources for now are mainly coming from the Global Health Observatory data repository.*

*# Some data sets I'm considering are "levels of (alcohol) consumption" and "harms and consequences" ie morbidity/mortality rates.*
